What's in for the members?

- Direct access to information
- Networking to learn or cooperate on common projects
- In-person events (Brussels, partner countries)

Enhanced visibility for active members:

- Spotlight in news articles
- Speakers at EU events
- In 2023 we introduced the EAFA Champions of the European Alliance for Apprenticeships (EAFA). These Alliance members will help make the community stronger by sharing their EAFA activities and by spreading the word about the benefits of joining EAFA.

'We wanted to join EAFA because we think apprenticeships are a really good means to train our own talent, and we want to learn from other members on how they are doing it.'

Synergies between EAfA and the Pact for Skills

The Pact for Skills and the European Alliance for Apprenticeships (EAfA) present multiple possible areas for cooperation:

- **Stakeholder engagement:** similar membership, set up, and goals
- **Promoting collaboration:** large-scale and regional partnerships in the Pact and the community of practice under the EAfA aim to strengthen cooperation across sectors and regions
- **Knowledge sharing:** both support members to build their knowledge and capacity
- **Commitment to horizontal priorities:** both initiatives contribute to the achievement of broader EU priorities
- **Examples of collaboration:** dedicated sessions in the Pact for Skills and EAfA events; social media takeovers
